CENOTAPH UNVEILED ON SUNDAY

Paying tribute to the solemnity of the occasion over two hundred and fifty assembled in Strathmore's Memorial Hall Sunday afternoon. The many details connected with the service had been admirably planned and the service was one of the most fitting ever held.

In keeping with the purpose of the occasion "remembrance" the roll of honor held central place in the artistic stage setting. At either side were placed the Union Jack and the Stars and Stripes while cut flowers interspersed with Poppies added their touch.

A huge Union Jack presented by the late R. J. Kearns to the local Legion was suspended from the ceiling in front stage, while the wreaths of Poppies with the names of the donors thereon were hung from each pillar, these to be later placed on the Cenotaph.

Boy Scouts in uniform did a good job of ushering the many attendees and also in taking the collection.

Conducting the service were Rev. D. A. Ford and Rev. A. A. Hamilton, assisted by Mr. Carl Heckbert of Vermilion, Provincial President of the Legion.

The music was well rendered by the joint choir. A solo, "The Recessional," by Mr. Balne Chapman was sung in his usual excellent voice.

Mrs. W. E. Mercer sang very effectively "The Better Land."

"I Vow to Thee My Country" by St. Michael's Jr. choir was sweetly sung and the Anthem "Sun of My Soul" by United Church choir was delightful. Miss Georgia Chapman was pianist.

Selected very apt passages of Scripture were read by Comrade Heckbert.

Rev. D. A. Ford based his address on the subject "The Greatest Words Ever Spoken."

The speaker quoted selections from Shakespeare's "Lear." Then Gray, then taking such Old Testament

metaphors as David, Nathan and Isaac, he gave outstanding decisions from each out St. Paul in his exposition on Charity rises to sublime heights. However the climax or most supreme words are those of Christ—"He that believeth on Me," "Father Forgive Them," "I Am the Resurrection and the Life," transcend in import all others.

Following the service in the Hall the audience gathered at the Cenotaph where Provincial President Heckbert unveiled the Foot Stone to the Cenotaph and gave a very fitting address.

Six Cadets of the Strathmore Cadet Corps comprising Irvin Korte, Douglas MacKenzie, Robert Mackie, Alvin Siemens, Gordon Potter and Bruce McKenzie formed a Guard of Honor at the Cenotaph.

Mr. Dave Kernack played the "Last Post." Cpl. Mott raised the flag to full mast as Reveille was sounded thus concluding a very impressive service.

K. P. S. SPONSOR SPEAKING CONTEST

Third in its annual Public Speaking contests is now open for entrants, according to word received recently from the Grand Lodge Knights of Pythias. The subject for this year's speeches will be "The Debt of the Modern World to Ancient Greece."

SCOUTS SEE FILMS

Members of Strathmore's Cub and Scout groups were privileged to see three training films on Monday night, when Mr. Jim Scott, Assistant Executive Field Secretary for Alberta was present at their meeting.

The films, depicting methods of effecting ice rescues, and the patrol system, are all films which are in Alberta for three weeks only. They were obtained for local use by Chuck MacLean, scoutmaster.

Several members of the group committee were also present at the meeting and discussed problems and developments with Mr. Scott.

Following showing of the films, Mr. Scott presented a long service message to Mr. MacLean for ten years service as a leader in the movement. After receiving three cheers from the boys present, Mr. MacLean in a few words expressed his appreciation, and thanked them all for their support.

LADIES AUXILIARY MEETING

A good number again attended the meeting of the Legion Ladies Auxiliary, Monday evening, Mrs. Tew presiding.

Three new members were initiated.

It was agreed to change the date of meeting to the 3rd Tuesday of the month, however the December meeting will be held the 1st Tuesday to avoid clashing with Christmas activities.

Mrs. Percy Wright and Mrs. Ian MacKenzie were appointed to arrange any Christmas parcels being sent out.

Five dollars will be donated for Christmas candy in accordance with a request from a British hospital.

The Secretary and Treasurer's reports were approved as read.

The following adjournment of business, several contests were arranged, followed by coffee and sandwiches and a happy social hour.

REMEMBRANCE DAY COMMEMORATION

Remembrance Day Services were solemnly and fittingly observed in Strathmore.

Promptly at 10:45 a.m. a parade comprising the Strathmore Band, Legion members, Cadets and Cubettes proceeded to the Cenotaph enclosure.

Scripture lessons and very impressive prayers were read by Rev. A. A. Hamilton. The Guard reverberated. The Last Post played by Douglas Hird. Two minutes silence solemnly observed, and Reveille by Doug Hird, all added to the serious atmosphere prevailing.

The flag was raised to full mast and wreaths were placed as follows. For the Legion, President Ian MacKenzie, Ladies Auxiliary, President Mrs. Tew; Province, Cpl. Mott; Town, Mayor T. S. Hughes; Wheatland S. D. Trustee D. Brown; Red Cross, Mrs. Faircliff; Sorority Society, Mrs. Gannon; Strathmore Lions, President Chas. Scott; British Columbia, Mrs. Students' Council, Richard West.

The band played "The National Anthem," and once again people turned with mingled feelings of sadness and regret for the past and hope for the future that these services will not be in vain.

This is the first occasion on which Strathmore has had the Provincial President of the Legion, also a Guard of Honor.

LARGE TURNOUT AT LIONS

When a drive for attendance was made at the last Lions meeting, some seventy-five per cent of the membership turned out to enjoy a grand dinner prepared by Messrs. George Anderson, Johnny Sebastian and the Rev. A. A. Hamilton.

A certificate of membership, some months late was presented to Morris West, at this meeting. It was announced at the meeting that a truck load of tumblers, donated to the Club by A. J. Tench, would be turned over to the hockey club, if it could be used in work at the rink. The offer was accepted on the spot by Jack Ceillin, on behalf of the Hockey Club.

The Scott lot, which is now being drawn for under revised ar-

ARMISTICE SMOKER

Nearly one hundred and fifty members of the Legion and their friends gathered in the Memorial Hall on Tuesday evening for the annual Armistice Smoker. The affair was voted by all as one of the best in recent years, and was thoroughly enjoyed by those who attended.

The entertainment was of a more or less spontaneous nature, and provided entirely locally. Highlights of the evening were the dance by Cpl. Mott, featuring quartet by the Scott brothers, Mr. Ian MacKenzie's chemistry experiments and the duet by Mr. Percy Wright and Mr. Doug Brooks.

Informal sing-song, stunts, old-time music, and ping-pong, and card games were among the forms of entertainment for the evening. The program was capably supervised by W. Woodliffe, L. Sarnson and O. Volund.

VOTE FOR THE WATER

In just a week's time, the ratepayers of Strathmore will have an opportunity to make a big decision with regard to the town's future, when they are presented with the question of installing water and sewerage in the town.

There is no doubt that there will be serious thought before the vote is taken. There is little doubt that a majority of the voters will turn out to the polls. Sufficient interest has been evinced over the past months to insure that.

And we feel that there is little doubt that the question will be approved by the ratepayers.

There is every reason why it should be approved. Household generally are strongly in favour of it. Longer residents remember previous attempts to install the system, and the general sense of frustration and loss when the plans did not reach fruition. Many of these look back at the years and feel a sense of waste of time. The financial position of the town could not be better than it is at present for embarking on a move of this kind. It has no outstanding debt, and has a cash reserve to work on. And in the final picture, a considerable part of Strathmore's future prosperity may hinge on accomplishment of this move.

One thing is certain . . . more homes and more families will certainly be easier to invite with facilities in the town than without, and with more homes in the town, it would be more easily possible to cut down the tax rate. Our tax levy, which is presently so high as to be almost restrictive, would be almost no more for half again as many homes.

This is obvious, when it is considered that any new homes will almost certainly be built on the water and sewer mains. They would therefore be in the established part of town, and would require no more street-lighting, no extension of sidewalks, no increase in fire protection or police protection, and lit-

SPORTSMANSHIP

Reprinted elsewhere in this issue is an account from one of our exchanges dealing with a Saskatchewan hunter who shot a group of tame ducks within town limits.

It's an interesting enough story the way it's written, but we'd like to have seen strong protest made over the situation. Much stronger than Frank Long seems to have made. As far as we can see, Mr. Long got his two dollars per duck, the hunter got his ducks, and the News got a story, even if all three are somewhat unhappy over the whole thing.

But there's no suggestion that this hunter is cured. He himself had the temerity to point out that he had done the same thing before. He seems not to have had the shame to refrain from mentioning it, nor the sportsmanship to desist in future, nor the decency to consider other people's property.

It is hunters like these who are ruining the sport for all, and though their numbers may be small in the aggregate, they are increasing so swiftly that sportsmen's associations are more worried about them than they are over any aspect of conservation.

It should be possible to have a license revoked for cause.

68

There was a hockey club meeting in town on Monday night, and only one townsman was sufficiently interested in the game to turn out. It's not hard to figure why the game has dropped off in recent years when all the support has to come from the farm section.

the increase in public works.

With more homes, the mill rate would thus drop considerably. The ratepayers might therefore, look on a waterworks system as a good investment.

We know the attitude of the general housewife, who had had to store her water in buckets, and preserve even drops. We hope they'll make their voice heard on the 21st of November.

Just one tap in a house makes a big difference.

THE JONES BOYS'

J. H. Wesson, president of the Saskatchewan Wheat Pool, tells the story of "the Jones boys". Stanley Jones, president of the Winnipeg Grain Exchange, was saying "open the market and get higher prices". Redmond Jones, head of the grain trade organization of Great Britain, was telling the people of that nation, "open the speculative market and prices will come down."

Mr. Wesson suggests that the Jones boys should get together and straighten out their differences.

—Ted Budget.

Ten little flies
All in a line:
One got a swat
And then there were nine.
Nine little flies
Grinding some more—
Swat! Swat! Swat! Swat!
Eight little flies

Seven little flies
Four little flies
Colored green-blue;
Swat! (Ain't it easy?)

Then there were . . .
Two little flies
Dodged the civilian—
And early next day
There were a million. —Unknown.

WEDDING

CHRISTOFFERSON - HARRIMAN

Crescent Heights United Church, Calgary was the scene of a very pretty wedding on Saturday, November 8th, at 3 p.m., when Kathleen Grace, third daughter of Mr. and Mrs. Frank Harriman of Nightingale was united in marriage to Howard Russell Christofferson, only son of Mrs. Grace Christofferson and the late Mr. Christofferson of Strathmore.

The church was prettily decorated with mauve and white chrysanthemums and green fern. Rev. Burkholder officiated, using the double ring ceremony.

The bride who was given in marriage by her father, wore a floor-length gown of embroidered white tulle with sweetheart neckline and long sleeves. Her long veil fell from a pearl coronet. She carried a bouquet of dark red roses. Her mother of the groom was best man and was matron of honor. For the occasion she wore a long dress of blue sheer with shoulder length veil. She carried a bouquet of peach carnations.

Mr. Oliver Christofferson, brother-in-law, acted as ring bearer, while Norman Harriman was usher.

Following the ceremony at the church, a luncheon reception was held at the home of the bride's sister and brother-in-law, Dr. and Mrs. A. A. Downey at 1712 11th Street. Many friends came here to wish the young couple a long and happy life. A lovely buffet luncheon was served with two food trays. The bridesmaids, Mrs. R. Lambert and Mrs. Elizabeth Clark

pooring.

A beautiful three tier wedding cake, centred the serving table. The luncheon was served by relatives of the bride and the cake was cut with the usual ceremony. It was a very joyful affair and the young couple left with much confetti and many good wishes.

For going away the bride wore a green afternoon dress with brown accessories. They left for a honeymoon at Edmonton and other points north. Upon their return they will live on the farm north of Strathmore.

GREYHOUND SCHEDULE—

OCTOBER'S POCKETS

In October the man of the temperate zone can put his coat on as usual and get some work done. During the summer weather, he has been frustrated by the lack of pockets. His shirt has only one pocket—two at the most—and there are only four or five trouser pockets. No man can hope to carry much equipment in so few pockets. His pipe is always missing and has to be hunted down before any work can be done. Then his tobacco pouch is missing. Now, here it is in this pocket. Well, there are those spectacles. Let them in the car—probably along with the key ring and the card and that lot of things to get at the hardware store.

In October a man can carry his working kit in his pocket. It brings out the waistcoat, which has four pockets and even in rare specimens of waistcoats a fifth pocket on the inside, an excellent place to carry money and lose it forever. Then there is the jacket. A jacket is not reliable in summer. It is eventually remembered to be hanging on the back of a chair in another room or in the garden at Aunt Sadie's. October's jacket is much more likely to be nearby when a man needs to go through its pockets. Besides, there are the topcoat pockets for really bulky pieces of luggage.

In October, contentedly laden with his gear, a man becomes almost as efficient as a woman. Women scorn pockets. They carry handbags and assert that men look clumsy carrying the bunch of things and more pockets for the theatre tickets. Women prefer to lose everything in the place.

Those present, however, spent a considerable time in talking the situation over, and all feel that the chances for a team this season are good. It also been indicated that there is plenty of material for a team, willing to drive twenty miles if necessary.

Though nothing is definite as yet, the group plans to call a second meeting in the near future.

About ten supporters of the hockey club turned out on Wednesday afternoon for a bee on the skating rink, and succeeded in digging most of the postholes, and planting posts for a new fence. Posthole digging was done with the aid of one of Mr. Kluber's small tractors.

Much more work is needed on the rink, and the committee in charge hope to have many more volunteer workers on the job.

CUBS ENTER SCOUTS

Three Wolf Cubs, Chuck Naylor, Richie Palardy and Frank Henderson, took part in a coming up ceremony last Friday evening when Cubs and Scouts met together. The boys all made the step from the Pack into the Troop. Before leaving, each of them shook hands with all members of the Pack, and heard the Grand Howl before leaving the circle and being placed in patrols in the troop.

Both groups enjoyed several games together before break-up, under leadership of the Rev. A. A. Hamilton, Cubmaster.

a Bank

THE VEIN proves rich, a shaft is sunk, and a new mining town springs into life. The main street takes form. Commercial buildings rise.

When such a development occurs, the services of a bank are needed — to handle payrolls, to keep savings accounts and, as the town grows, to furnish bank credit for the needs of the community.

This is a basic pattern in Canada's development. And part of it is the local bank manager, providing those financial services which help Canadian men and women to win the rewards of modern enterprise and modern living.

THIS IS ONE INSTANCE OF how Canada's 3,200 branch banks play their part in the daily life and work of Canadians.

EVERYBODY'S BUSINESS

To get ahead in the world you need more than ability, personality and experience. You also need *good health*.

Nowadays the vital importance of the right diet for good health is being more widely recognized. Thus more and more people are eating less of the heavy starch and protein foods and more of the vitamin-rich raw and leafy vegetables, and fruits.

As for sleep, doctors advise a minimum of eight hours rest for average adults.

To most of us, the idea of taking exercise is a chore and a bore. But it is virtually impossible to enjoy radiant good health unless we do so. A few minutes spent daily in setting-up exercises is especially beneficial to those with sedentary jobs. Long, brisk walks are also recommended.

Above all, have your physician give you a complete check-up every year.

All this may have a familiar ring. But I have repeated these suggestions here because they can do so much to help you win success.

Just as health measures safeguard your physical future, life insurance safeguards the financial future for yourself and your family. During the past 10 years the life insurance companies in Canada paid out an average amount of \$400,000 to policyholders and beneficiaries every day.

baby girl in a Calgary hospital on Tuesday, November 4th.

Mrs. H. McKeever spent several days last week in Calgary.

Mr. S. Hampton has been moved to his son's home in Calgary. His many friends are glad to learn his health is improving.

The Ladies Auxiliary of the Canadian Legion B.E.S.L. held a meeting Wednesday evening. Usual business was conducted. Banquet was cancelled. It was decided to sponsor a children's party between Christmas and the New Year with slides, games and good things to eat. Final arrangements to be dealt with at the December meeting.

The regular meeting of the United Church W. A. was held Thursday afternoon at the home of Mrs. T. Frogget. Meeting was opened with a prayer by Rev. Selber and repeating the Lord's Prayer in unison.

Rising out of the minutes was the final arrangements for the U. C. Annual Bazaar. Tea and Homecoming Bazaar date was set for November 22, usual place, dining room of Community Hall. A delicious lunch was served by the hostess Mrs. Frogget and Mrs. Farquharson and Mrs. Holt.

CURL IN 2 WEEKS

Work is coming along fast enough at the curling rink to make the executive hope that they will have curling ice in about ten days time. A great deal of work has been accomplished in the past couple of weeks, and the rink is taking on all the well known attributes of a good curling site.

There still remains considerable work to do on the inside, in particular at the waiting room end, but it is hoped to have all of this complete before the end of the season.

Arrangements for the draws are under way, and the executive is hoping to have the names of all curlers in the near future.

HUSSAR NOTES

By Mrs. M. C. B.

BLAKE — HERYFORD

A quiet wedding took place in the Prophetic Bible Institute on Saturday, November 1st, at 2.30 p.m., when Jean Fanny, third daughter of Mrs. E. Heryford and the late Mr. E. Heryford of Makepeace became the bride of Raymond Elmer Blake, second son of Mr. and Mrs. E. F. Blake of Hussar. Rev. William Laing officiated.

The bride entered on the arm of Mr. Karl Knudsen, who gave her away.

The bridesmaid was Miss Loid Nail, of Makepeace, and the groom's brother, Leland Blake was best man.

The bride was gowned in an afternoon dress of pink crepe, and carried a bouquet of pink roses; the bridesmaid wore a grey dressmaker suit, and carried pink carnations. Both the bride and bridesmaid wore half length veils.

During the signing of the register, Mrs. Karl Knudsen sang "At Last". Mrs. Robert Hulien played the piano for the ceremony.

The wedding reception was held at the Club Cafe at 3.30. Mr. E. J. Bell pronounced the invocation.

The following guests were present — Mr. and Mrs. E. F. Blake, with Leland, Harold, Joanne and Helen Blake; Mr. and Mrs. Orville Blake; Miss Loid Nail; Mr. and Mrs. E. J. Bell; Mr. and Mrs. H. B. Moulton; Mr. and Mrs. Knudsen and Eric Knudsen; Mr. and Mrs.

HUNTER GETS TAME AND PAYS

A resident of benighted Saskatchewan drove into town on Monday and spotted Frank Long's ducks and geese on the creek. He

P. R. Larsen; Mr. and Mrs. Floyd Hulien; Mr. and Mrs. Paul Hulien; Mr. and Mrs. Robert Hulien; Mr. and Mrs. Gunnar Nielsen; Mr. Mickey Clark and Mrs. S. Dundas. Mr. E. J. Bell proposed the toast to the bride, to which the groom Raymond Blake, responded. The bride also made a little speech of appreciation.

The young couple will reside at Vulcan, where the groom is employed.

In spite of the blizzard that raged in Hussar on Tuesday, a delightful shower was held at the home of Mrs. C. P. English in honor of Miss Ruby Munro, who will be married to Tom Brown on November 12th. Mrs. Munro, Miss Marian Munro, Mrs. A. Brown, Mrs. Jessie Kirkpatrick, and the Misses Peggy and Lila Brown were the honorary guests. The hostesses were Mrs. C. P. English, Mrs. T. Brook and Miss Bernice Janz. After a contest, which was won by Mrs. Kirkpatrick, and a delicious lunch, the gifts were brought in, in a beautifully decorated basket, one of the gifts. As this was a kitchen shower, the bride-to-be received many useful gifts for that department, of the home, and several for the other rooms.

DUCKS FOR DINNER

got out his firearms and began blazing away at the birds and pitted three of them. Frank, who is ordinarily a pacific soul, descended in wrath and demanded why in several things, a sportsman was; (a) shooting at sitting birds and (b) shooting at tame ducks and (c) shooting at all within the town limits.

The hunter was properly abashed and offered to make restitution but wriggled slightly when Frank set the price at \$2.00 per duck per each. He demurred a little and pointed out that a similar episode had cost him only fifty cents per duck on a former occasion.

Frank glared and sneered "Meat has gone up. Inflation." He got his two dollars per duck but was amiable enough to let the hunter have the corpses. — Nanton News.

FIRE DESTROYS KLAIBER BARN

Fire of unknown origin broke out in the stock barn at Klaiber's ranch late Tuesday night, and destroyed something like \$25,000 worth of property. The barn and one silo, three tractors, fourteen Holstein cows, several registered Hereford Bulls, two saddle horses and over three thousand bushels of feed grain were lost in the blaze.

The fire was discovered shortly after breaking out, about 2.30 a.m. by a C. P. H. freight, which ran up and down the track blowing its whistle in an effort to rouse someone. The alarm was finally turned in, and the fire brigade, under leadership of Deputy Chief George Anderson responded.

Chemical apparatus was used until a water pump was obtained from the Western Irrigation District and used to pump water from the lake. In order to prevent the fire spreading to other buildings a caterpillar was used to drag the remaining silo away.

A few head of stock were saved from the fire, but the majority could not be released. The Holsteins were Mr. Francis Wright's herd and all but one heifer from the herd were lost. The remainder of the stock belonged to Mr. A. Klaiber.

Two Fordson tractors belonging to Mr. Klaiber and one Massey Harris tractor belonging to Mr. J. Ahlstrom were also lost in the blaze.

It is understood that only a small part of the building and the feed were covered by insurance. The stock will be a total loss, as will the machinery.

Huge numbers of Strathmore's citizens were present at the fire, and many spent long hours there. Members of the fire brigade were still fighting remains of the fire late Thursday morning.
